# Subscribe to Store Designer

## Step 1:

Subscribe to Store Designer at [eBay's app center](#).

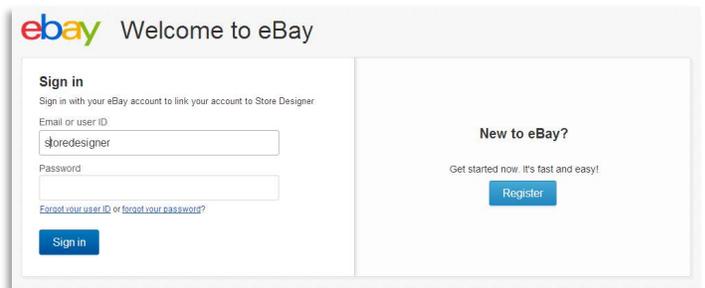

The screenshot shows the app page for 'Store Designer' by 3DSellers. It includes the app icon, a 'Try it free' button, and a rating distribution chart. The rating distribution is as follows:

Star Rating	Count
5 star	15
4 star	0
3 star	0
2 star	0
1 star	6

## Step 2:

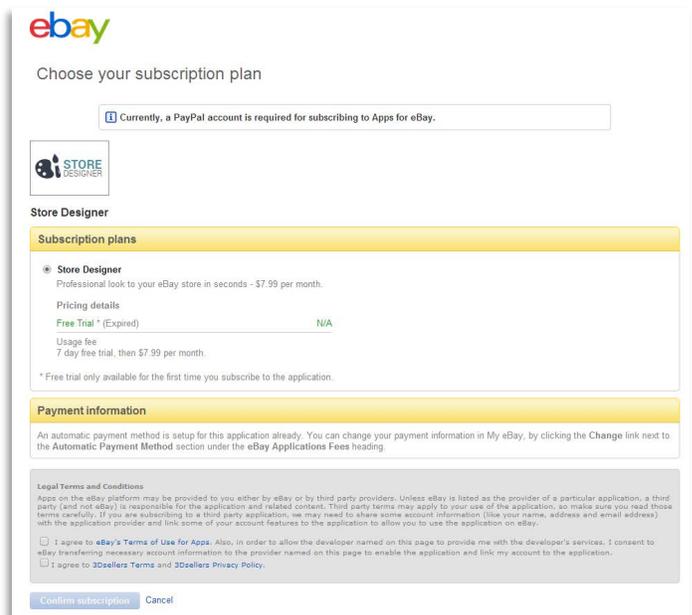

If you aren't logged-in in eBay, you will be asked to login.

The screenshot shows the 'Welcome to eBay' login page. It has a 'Sign in' section with fields for 'Email or user ID' (containing 'storedesigner') and 'Password'. There is a 'Sign in' button and a 'New to eBay?' section with a 'Register' button.

## Step 3:

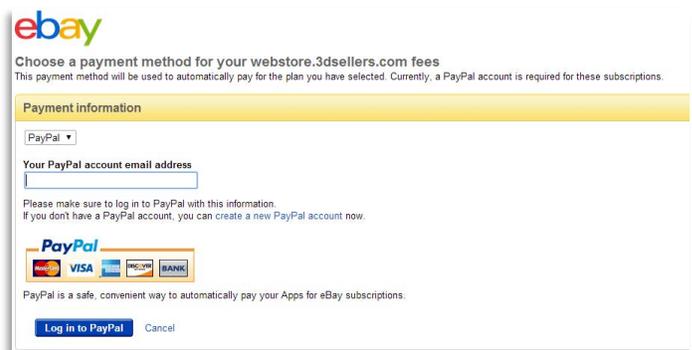

In the next page you will be asked to agree to ours & eBay's Terms. Once you've read them checkmark both boxes and click "continue".

The screenshot shows the 'Choose your subscription plan' page for Store Designer. It features a 'Subscription plans' section with one plan selected: 'Store Designer' at \$7.99 per month. Below this is a 'Payment information' section with a note that an automatic payment method is already set up. At the bottom, there are checkboxes for 'Legal Terms and Conditions' and 'I agree to eBay's Terms of Use for Apps', both of which are checked. There are 'Confirm subscription' and 'Cancel' buttons.

## Step 4:

If this is the first eBay app you're signing up to you will be asked to set up your recurring payment in PayPal for your eBay apps.

The screenshot shows the 'Choose a payment method' page. It has a 'Payment information' section with a dropdown menu set to 'PayPal'. Below this is a section for 'Your PayPal account email address' with an input field. There is a note: 'Please make sure to log in to PayPal with this information. If you don't have a PayPal account, you can create a new PayPal account now.' Below that are logos for PayPal, VISA, and BANK. At the bottom, there are 'Log in to PayPal' and 'Cancel' buttons.

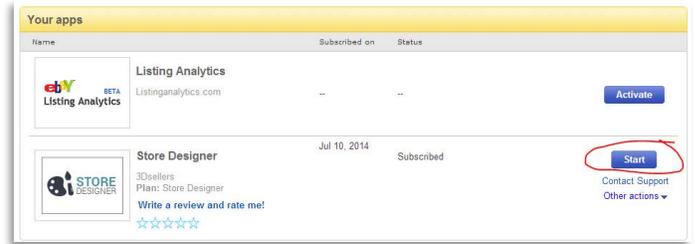

**Step 5:**

Wait while your app is activated. Keep in mind that you will also need to activate the app in your control panel.

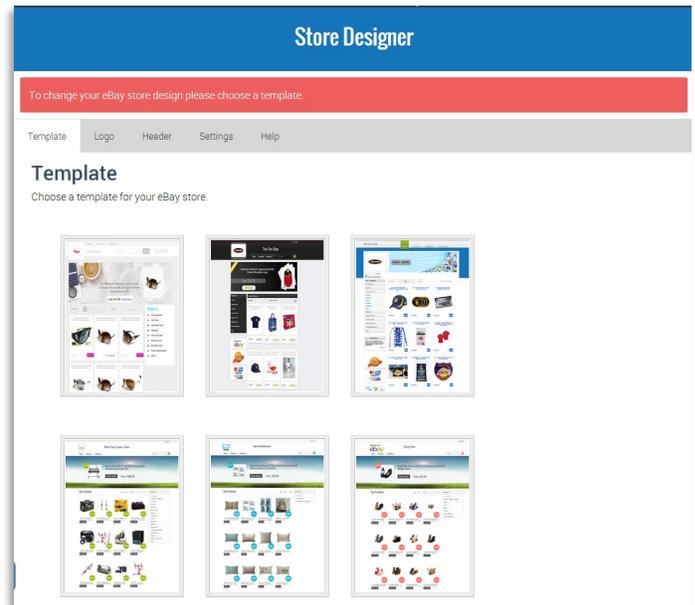

**Step 6:**

Next you will be redirected to your app management area on eBay, here you will find the "Start" button for the app. Click on the "Start" button to login to your control panel.

**Step 6:**

Next you will arrive at your app's control panel. Once you saved your template your new template will replace eBay's basic store design.

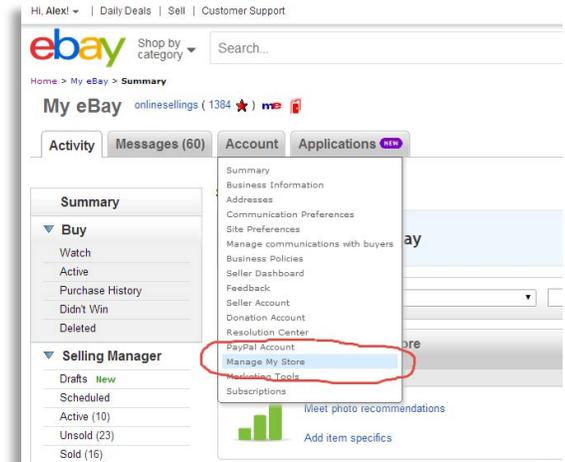

## Revert to old store

If you are using eBay's new store layout you will need to revert back to eBay's old layout to use our templates.

Follow these instructions to do that.

### Step 1:

Go to your My eBay account.

### Step 2:

Under your "Account" tab choose "Manage My Store".

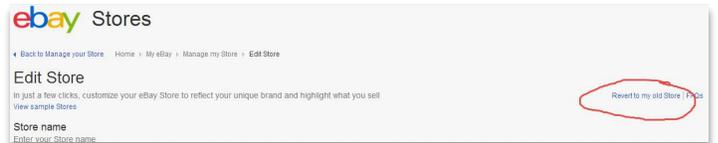

### Step 2:

In the left sidebar under "Store Design" choose "Edit Store".

### Step 3:

At the top right corner click on "Revert to my old store".

### Step 3:

Next, to access your control panel & save your template go to [My eBay](#) > [Applications](#) > [Store Designer](#).

# Template

## Saving a Template

### Step 1:

To access your control panel & save your template go to [My eBay](#) > [Applications](#) > [Store Designer](#).

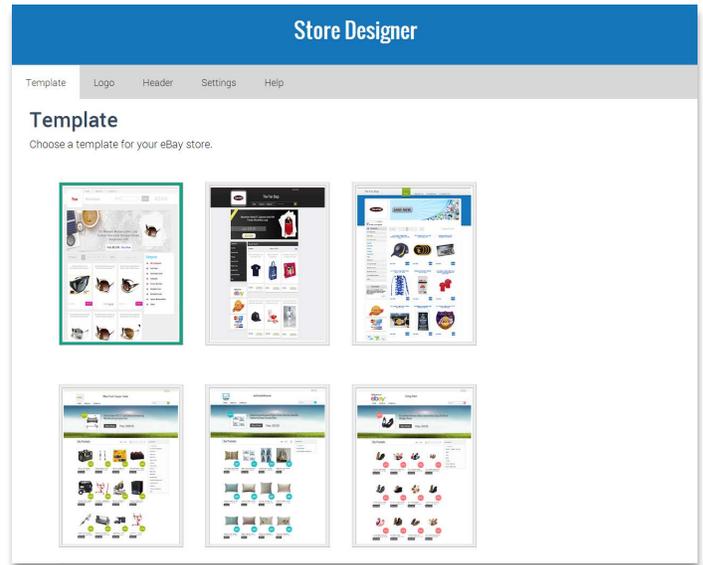

### Step 2:

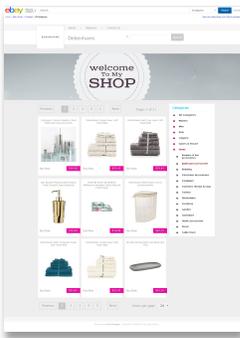

In your control panel under your Template tab you will find the design templates for your eBay store.

For each template you will find an option to "Preview" the template or "Save" it.

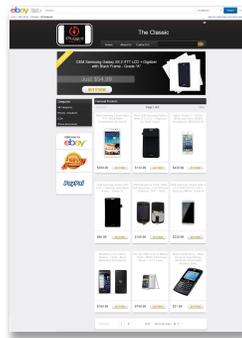

The preview option will allow you to view your store with the template before saving the template.

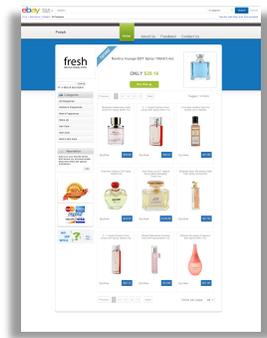

We offer 6 different templates: Win 8 Style, The Classic, Fresh, Verde, Aquarius and Cherry Blossom.

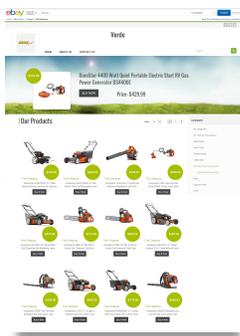

*Our Win 8 style is a modern grey design with just a few touches of magento. Great for placing the focus on your products*

*The Classic is a simple black & white design with hints of yellow that will truly make your eBay items shine.*

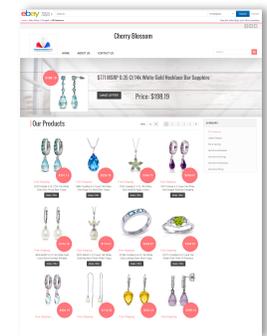

*A clean white design with hints of green & blue. Giving your store that fresh look you were looking for.*

*Our Verde template is a green hue responsive template with a full width header, dynamic sidebar and a selection of textures for the header.*

*Our Aquarius template is a turquoise hue responsive template with a full width header, dynamic sidebar and a selection of textures for the header.*

*Our Cherry Blossom template is a pink hue responsive template with a full width header, dynamic sidebar and a selection of textures for the header.*

# Logo

## Change Logo

### Step 1:

Access your control panel by going to: [My eBay](#) > [Applications](#) > [Store Designer](#).

### Step 2:

By default your eBay store's logo will appear also in your new design, but you can replace it by choosing one of our designed logos or by uploading a new logo.

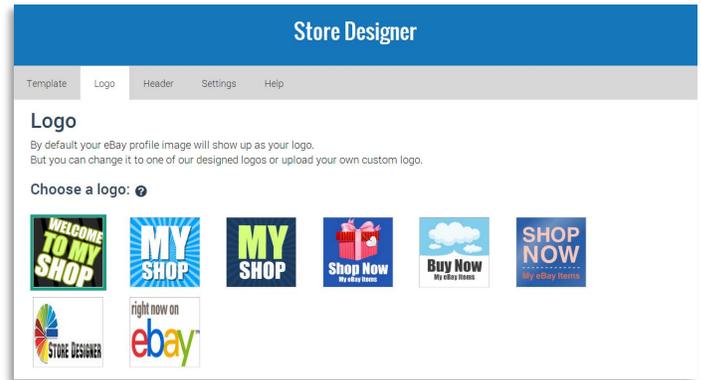

The recommended sizes for your logo are as following:

Win 8 template: 175X146

The classic template: 221X135

Fresh template: 784x 280

Verde, Aquarius and Cherry Blossom: 180X132

# Header

## Select Header

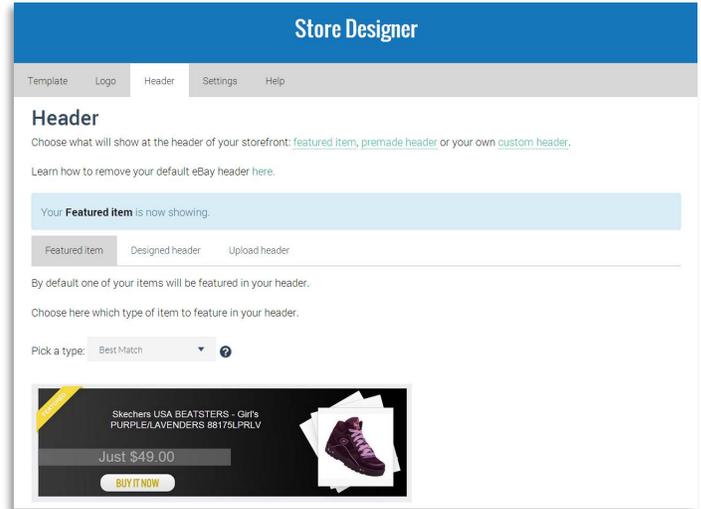

### Step 1:

Access your control panel by going to: [My eBay](#) > [Applications](#) > [Store Designer](#).

### Step 2:

Under your "Header" tab you will be able to choose what to display in your store's header: a featured item, a designed header or a custom header. By default your featured item will be showing in your store's header.

### Featured item:

You can choose which type of item to feature in your store: newly listed, best match, ending soon, most expensive and cheapest item. Once you pick the type click on "Save" to save the type.

### Designed header:

You can also choose one of our designed headers for your header. Click on the header to choose it.

### Custom header:

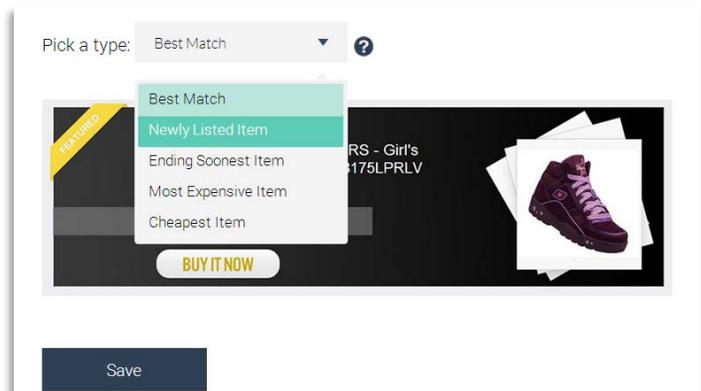

You can upload your own custom header. Recommended sizes are as following:

Win 8 Style: 1150X350

The Classic: 960X300

Fresh: 960X300

Verde, Aquarius and Cherry Blossom: 1150X260

## Change featured item background

When using templates Verde, Aquarius and Cherry Blossom you will be able to change the background for your featured item.

### Step 1:

Access your control panel by going to: [My eBay](#) > [Applications](#) > [Store Designer](#).

### Step 2:

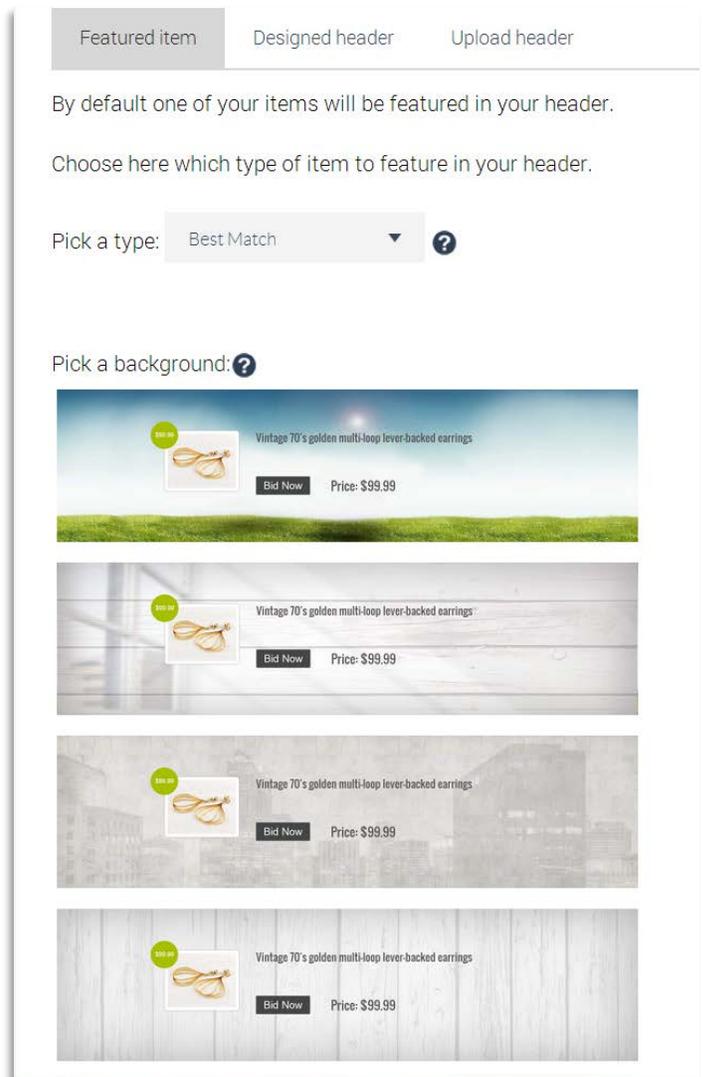

Select one of our full width templates in your "Template" tab.

### Step 3:

Go to your "Header" tab. Under your header tab choose your "Featured item" tab. Here you will find 4 different backgrounds from which you can choose the background for your featured item.

### Step 4:

Click on "Save" to save the background.

## Upload header

### Step 1:

Access your control panel by going to: [My eBay](#) > [Applications](#) > [Store Designer](#).

### Step 2:

Go to your "Header" tab and choose the "Upload header" tab. Click on the "Choose header" button.

Recommended sizes for the custom header are as following:

Win 8 Style: 1150X350

The Classic: 960X300

Fresh: 780X290

Verde, Aquarius and Cherry Blossom: 1150X260

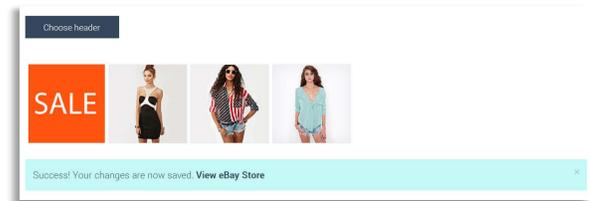

### Step 3:

Select the header from your PC. Once you select the image you will see it loading in your control panel.

### Step 4:

Once your header loads you will see it in your control panel. Your new header will automatically show in your store.

## Sidebar

When using templates Verde, Aquarius and Cherry Blossom you will be able to add widgets to your store's sidebar including social buttons, text box, newsletter button and PayPal/Top Rated Seller badge.

### Step 1:

Access your control panel by going to: [My eBay](#) > [Applications](#) > [Store Designer](#).

### Social buttons widget

To add Social Icons to your store's sidebar fill out the fields for the icons you would like to add like this:

Facebook: [www.facebook.com/3dsellers](http://www.facebook.com/3dsellers) (page name or page ID)

Twitter: <https://twitter.com/3DSellers> (Twitter username)
